DECLARATION
OF
COVENANTS AND RESTRICTIONS
FOR
DUNES OF AMELIA

THIS DECLARATION is made this 18 day of March, 2015, by **PARKWAY DUNES, LLC**, a Florida limited liability company ("Declarant"), which declares that the real property owned by Declarant and described on the attached Exhibit "A" (the "Property"), shall be held, transferred, sold, conveyed and occupied subject to the covenants, restrictions, easements, charges, liens and all other matters set forth in this Declaration which shall be deemed to be covenants running with title to the Property and shall be binding upon the Declarant and all parties having or acquiring any right, title or interest in any portion of the Property.

ARTICLE I
MUTUALITY OF BENEFIT AND OBLIGATION

Section 1.1 **Mutuality**. The covenants, restrictions, and agreements set forth in this Declaration are made for the mutual and reciprocal benefit of every parcel within the Property, and are intended to create mutual equitable servitudes upon each such parcel in favor of the other parcels, to create reciprocal rights among the respective Owners, and to create privity of contract and an estate between the grantees of each and every parcel within the Property, their heirs, successors and assigns.

Section 1.2 **Benefits and Burdens**. Every person who is an Owner does by reason of taking title to land located within the Property agree to all the terms and provisions of this Declaration and shall be entitled to its benefits and subject to its burdens.

ARTICLE II
DEFINITIONS

The following words, when used in this Declaration shall have the following meanings:

Section 2.1 **Articles**. The Articles of Incorporation of Dunes of Amelia Owners Association, Inc., filed with the Florida Secretary of State, as amended from time to time. A copy of the original Articles of Incorporation is attached hereto as Exhibit "B".

Section 2.2 **Association**. Dunes of Amelia Owners Association, Inc., a Florida corporation not-for-profit. This is the Declaration to which the Articles and Bylaws make reference.

Section 2.3 **Board**. The Board of Directors of the Association.

Section 2.4 **Bylaws**. The Bylaws of the Association as approved by the Board, as amended from time to time. The initial Bylaws are attached as Exhibit "C".

Section 2.5 **Common Area**. All real property (including easements, licenses and rights to use real property) and personal property located within or adjacent to such property, if any, which (a) is shown on any plat of the Property as being dedicated to the Association or within a County right-of-way containing signage and/or landscaping, or (b) is designated in this Declaration as Common Area, or (c) is designated by the Declarant, or the Association after transition, for the common use of the Owners in this Section 2.5, or by recording a Supplementary Declaration, pursuant to the terms of Section 5.3 below. The Common Area initially designated by the Declarant (if any) shall consist of the real property (and interests therein) described on the attached Exhibit "D" together with all improvements constructed thereon by Declarant, but not owned or maintained by a public or private utility company. The Common Area shall include the tot lot park when and if constructed and conveyed to the Association.

Section 2.6 **Declarant**. Parkway Dunes, LLC, a Florida limited liability company, and its successors and such of its assigns as to which the rights of the Declarant under this Agreement are specifically assigned, in full or in part. In the event of a partial assignment, the assignee may exercise such rights of the Declarant as are specifically assigned to it. Any such assignment may be made on a non-exclusive basis. Reference in this Declaration to Declarant as the Declarant of the Property is not intended and shall not be construed, to impose upon Declarant any obligations, legal or otherwise, for the acts or omissions of third parties who purchase lots or parcels within the Property from Declarant and develop and resell the same.

Section 2.7 **Limited Common Area**. The Limited Common Area of a Lot shall consist of the portion of the Property between the front Lot line and the nearest edge of the paved road surface (as it may exist from time to time) and between the rear Lot line and the nearest shore line of any lake contiguous to or within twenty (20) feet of the Lot, within the area bounded by the extension of the side Lot lines, together with any portion of the Property contiguous to a Lot which, as a result of the natural configuration of the Property, is primarily of benefit to such Lot. Any question concerning the boundary of a limited common area shall be determined by the Board.

Section 2.8 **Lot**. Any platted lot or any other parcel of real property located within the Property, on which one or more residential dwellings have been or could be constructed.

Section 2.9 **Owner**. The record owner or owners of any Lot.

Section 2.10 **Property or Subdivision**. The real property described on the attached Exhibit "A" and such additions and withdrawals as may be made in accordance with the provisions of Sections 3.2 and 3.3 of this Declaration.

Section 2.11 **Zoning**. The zoning category applicable to the Property, including any Planned Unit Development approved by the Board of County Commissioners of Nassau County and as amended from time to time.

Section 2.12 **Surface Water or Stormwater Management System.** A system which is designed and constructed or implemented within the Property to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges. For purposes of this Declaration, the Surface Water or Stormwater Management System shall be deemed to be a part of the Common Area and shall include any drainage swales located within the Property.

ARTICLE III **PROPERTY SUBJECT TO THIS DECLARATION:** **ADDITIONS AND DELETIONS**

Section 3.1 **No Implied Extension of Covenants.** Each Owner, by becoming an Owner, shall be deemed to have agreed that (a) the real property described on Exhibit "A" and such additional property as may be annexed pursuant to Section 3.2 hereof shall be the only property subject to this Declaration, (b) that nothing contained in this Declaration or in any recorded or unrecorded plat, map, picture, drawing, brochure or other representation of a scheme of development, shall be construed as subjecting, or requiring the Declarant to subject any other property now or hereafter owned by the Declarant to this Declaration, and (c) that the only manner in which additional land may be subjected to this Declaration is by the procedure set forth in Section 3.2.

Section 3.2 **Additional Lands.** Declarant may, but shall not be obligated to, subject additional land to this Declaration (or to the assessment provisions of this Declaration) from time to time provided only that (a) any additional land subjected to this Declaration (or its assessment provisions) shall be contiguous to the Property then subject to this Declaration (for purposes of this Section 3.2, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous), and (b) the Owners of property within additional lands made subject to this Declaration (or its assessment provisions) shall be and become subject to this Declaration (or its assessment provisions), and shall be responsible for their pro rata share of common expenses for which assessments may be levied pursuant to the terms of Article VII of the Declaration. Addition of lands to this Declaration shall be made and evidenced by filing in the public records of Nassau County, Florida, a Supplementary Declaration executed by the Declarant with respect to the lands to be added. Declarant reserves the right to supplement this Declaration to add land located within 500 meters of any boundary of the Property to the scheme of this Declaration (or its assessment provisions) pursuant to the foregoing provisions without the consent or joinder of any Owner or mortgagee of land within the Property.

Section 3.3 **Withdrawal of Lands.** With the consent and joinder of Owners holding a majority of the votes in the Association, the Declarant may, but shall have no obligation to, withdraw at any time, or from time to time, portions of the Property from the terms and effect of this Declaration. Upon the Declarant's request, the consent and joinder of each and every Owner to such withdrawal shall not be unreasonably withheld. The withdrawal of lands as aforesaid shall be made and evidenced by filing in the public records of Nassau County, Florida, a Supplementary Declaration executed by the Declarant with respect to the lands to be withdrawn.

ARTICLE IV **THE ASSOCIATION**

Section 4.1 **Membership.** Each Owner, including the Declarant (at all times so long as it owns any part of the Property), shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot.

Section 4.2 **Classes and Voting.** The classes of membership in and voting rights respecting the Association shall be as set forth in the Articles.

ARTICLE V **COMMON AREA RIGHTS**

Section 5.1 **Conveyance of Common Area.** Declarant agrees that all of the Common Area owned by Declarant shall be conveyed or assigned to the Association, subject to covenants, easements, restrictions and other matters of record, before the date which is ninety (90) days following the conveyance of the last portion of the Property owned by the Declarant to any party. Upon the recordation of any deed or deeds conveying Common Area to the Association, the Association shall be conclusively deemed to have accepted the conveyance evidenced by such deed or deeds.

Section 5.2 **Owners' Easement of Enjoyment.** Each Owner shall have a non-exclusive easement of enjoyment in and to the Common Area for its intended purpose, which shall be appurtenant to, and shall pass with, the title to the land of such Owner, subject to the following:

(a) The right of the owner of the Common Area, with the consent of the Declarant (if different from such owner) to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility; provided however, the Common Area may not be mortgaged or conveyed free and clear of the provisions of this Declaration without the approval of Members holding two-thirds (2/3) of the total votes that are allocated to the Association's members;

(b) All provisions of this Declaration, any plat of all or any parts of the Property, the Zoning, and any other governmental restrictions applicable to the Property;

(c) Reasonable rules and regulations governing use and enjoyment of the Common Area adopted by the Declarant or the Association;

(d) The rights of the Declarant under Section 5.3 to add to or withdraw land from the Common Area; and

(e) Easements, restrictions, agreements and other matters of record.

The foregoing easement of enjoyment in favor of the Owners shall not be construed to create or imply any other easements or rights not expressly created by this Declaration, it being the intent hereof to limit the Owners' rights of use of specific portions of the Common Area to only the intended purposes of such portions of the Common Area. For example, the creation of each Owner's right to drain such Owner's Lot into the portions of the Common Area included within the Surface Water or Stormwater Management System, does not create any right of access by any Owner to such portions of the Common Area over any other Owner's Lot or other privately owned portions of the Property.

Section 5.3 Right of the Declarant to Designate Property as Common Area or to Withdraw Property from the Common Area. Notwithstanding anything to the contrary contained in this Declaration, the Declarant shall have the right, in its sole discretion, to designate land, easements, use rights and personal property owned by the Declarant as Common Area, provided only that such land shall be located within the Property or contiguous to the Property (for purposes of this Section 5.3, property separated only by public or private roads, water bodies, golf courses, or open space shall be deemed contiguous). During any time that Declarant shall own any portion of the Property, the Declarant may, at such time, withdraw, or cause to be withdrawn, land from the Common Area in the Declarant's sole discretion. The prior sentence notwithstanding, in the event such withdrawal of Common Area shall materially and adversely affect any Lot, or materially and adversely affect access, visibility, or drainage to or from any Lot, the Declarant shall not have the right to withdraw such Common Area without the consent and joinder of the Owner of the Lot which is so affected. Addition of land to and withdrawal of land from the Common Area shall be evidenced by recording a Supplementary Declaration in the public records of Nassau County, Florida, which shall specifically reference such addition or withdrawal. Withdrawal of land from the Common Area by the Declarant shall terminate any and all easements and rights of use of the Owners in such land. No land owned by the Declarant shall be deemed to be Common Area unless such land is expressly referenced as such under Section 2.3, or subsequently designated as such by the Declarant pursuant to this Section 5.3, even if the Declarant consents or acquiesces to the use of such land by the Owners. In the event any land, easements, use rights, or personal property owned by the Association shall be withdrawn from the Common Area pursuant to this Section 5.3, upon the Declarant's written request, the Association shall promptly execute and deliver to the Declarant any and all deeds, bills of sale, assignments or other conveyance documents as may be necessary or appropriate to effectuate the withdrawal of such Common Area.

Section 5.4 Maintenance of Common Area and Compliance with Applicable Permits. The Association shall at all times maintain in good repair and manage, operate and insure, and shall replace as often as necessary, the Common Area, and any improvements and landscaping, and all roads, drives, streets and paved rights-of-way (except utilities owned and maintained by public or private utility companies providing water, sewer, electrical, fire protection, cable television, telephone, or similar utilities to the Property, or any portion thereof) situated on the Common Area, if any. The Association shall maintain all lakes, swales, drainage areas, drainage easements, and control structures, and shall preserve and protect all designated conservation areas and littoral zones located within, adjacent, or in near proximity to the Property, in accordance with all permit requirements and conditions contained in applicable

dredge fill, consumptive use, surface water permits, or any other applicable permits issued by the United States Army Corps of Engineers ("ACOE"), Florida Department of Environmental Protection ("FDEP"), St. Johns River Water Management District ("SJRWMD"), and Nassau County, Florida and all statutes, rules, regulations and requirements pertaining to surface water management, drainage and water quality promulgated by the SJRWMD, the FDEP, and all other local, state and federal authorities having jurisdiction. The Association shall maintain those portions of the Common Area designated by applicable permit as conservation tracts, stormwater management tracts or similar designations, in accordance with all permit requirements, rules, and regulations promulgated by all local, state and federal authorities having jurisdiction. The Association shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management System shall mean the exercise of practices which allow the system to provide drainage, water storage, conveyance of other surface water, or stormwater management capabilities as permitted by the SJRWMD. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. All maintenance obligations of the Association shall be performed as ordered by the Board, and all or any portion of the cost of such maintenance incurred by the Association pursuant to this Section 5.4, shall be a common expense of the Association to be collected and paid in the manner prescribed by this Declaration.

Section 5.5 **Easement for Maintenance Purposes.** Declarant grants to the Association and its successors, assigns, agents, and contractors, a perpetual non-exclusive easement in, on, over and upon those portions of the Property as may be reasonably necessary for the purpose of maintaining the Common Area, including, without limitation, the Surface Water or Storm Water Management System, or other portions of Property to be maintained by Association, in accordance with the requirements of this Declaration. By such easement, the Association, and its successors, assigns, agents and contractors, shall have the right to enter upon any portion of any Lot which is included within the Surface Water or Storm Water Management System, at all reasonable times and in a reasonable manner, to operate, maintain or repair the Surface Water or Storm Water Management System as required by the SJRWMD. Additionally, the Association shall have a perpetual, non-exclusive easement for drainage over the entire Surface Water or Stormwater Management System. No Owner or other person shall alter the drainage flow of the Surface Water or Stormwater Management System, including buffer areas or swales, without the prior written approval of the SJRWMD. The easement granted hereby shall not be exercised by any party in a manner which unreasonably interferes with the use, occupancy, or enjoyment of any improved portion of the Property. Further, in the event that any portion of the Property shall be damaged or altered in any way as the result of the exercise of the easement rights granted hereby, such portions of the Property shall be immediately restored to the condition that existed immediately prior to such damage or alteration by the party exercising such rights.

Section 5.6 **Fence and Landscape Easement Areas.** Declarant grants to the Association, its successors, assigns, agents, employees and contractors a perpetual non-exclusive easement over, under and across (i) the northerly ten (10) feet of Lots 43 through 53, inclusive, and (ii) the southern end of Sea Grape Drive between Lots 22 and 23 of the Property ("Easement Areas"), for the purpose of installing, maintaining, removing, repairing, and replacing fencing,

trees, shrubs and other landscaping, irrigation systems, underground electrical wiring, landscape lighting and all other appurtenances related thereto. The Easement Areas shall constitute Common Area and the Association shall at all times have the right of ingress and egress to and from the Easement Areas for the use and purpose described above without the necessity at any time of procuring the prior permission of the owner of any of the Lots within the Easement Areas.

Section 5.7 **Private Road Easement**. Declarant hereby reserves for itself and grants unto all Owners and to all postal, fire, police, school transportation, health and emergency, sanitation and other public service and utility company personnel and vehicles a non-exclusive perpetual easement for access, ingress and egress over and across all roads, drives and streets shown on the plat of the Property, subject at all times to the right of the Association to promulgate, administer and enforce reasonable rules and regulations governing vehicular and pedestrian traffic thereon. The roads, drives and streets shown on the plat of the Property shall constitute Common Area and shall be maintained by the Association. Notwithstanding the foregoing or anything else in this Declaration, Declarant and/or the Association hereby reserves the right and authority and shall be entitled at any time to dedicate all roads, drives, streets and rights-of-way to a municipality or local government as public roads and upon such dedication and acceptance by the municipality or local government of such roads and rights-of-way for maintenance, the easements herein reserved or granted and the obligation of the Association to maintain such roads and paved rights-of-way shall automatically cease and terminate.

ARTICLE VI **ARCHITECTURAL CONTROL**

Section 6.1 **Architectural Review and Approval**. Except for the initial construction of residential dwellings and related structures, landscaping, and other improvements ("Initial Construction"), no landscaping, improvement or structure of any kind, including without limitation, any building, fence, wall, pool, spa, ornamental statue, flag pole, play structure, screen enclosure, sewer, drain, disposal system, landscape device or object, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same have been submitted to, and approved in writing by the Association. All plans and specifications shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to specific conformance with architectural criteria which may be imposed from time to time by the Declarant or the Association. All plans and specifications submitted for review shall be evaluated for total effect and may be disapproved by the Association solely for aesthetic reasons, in the Association's sole and absolute discretion. No approval of plans and specifications for improvements constructed upon any Lot shall be construed to establish a precedent or otherwise obligate the Association to approve applications involving similar designs proposed for other Lots. It shall be the burden of each Owner to supply two (2) sets of completed plans and specifications to the Architectural Review Board ("ARB") and no plan or specification shall be deemed approved unless a written approval is granted by the ARB to the Owner submitting same. The ARB shall approve or

disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to an approved plan shall not be deemed approved unless a written approval is granted by the ARB to the Owner submitting same.

Section 6.2 **Architectural Review Board.** The Declarant shall be the sole member of the ARB for the Association until the first to occur of (a) termination of the Class B Membership as provided in Section 4.2(b) above or (b) upon Declarant's delivery to the Association of a written termination of Declarant's rights under this Section 6.2. Upon such event, the architectural review and control functions of the Association shall be administered and performed by the ARB, which shall consist of three (3) or five (5) members who need not be members of the Association. The Board shall have the right to appoint all of the members of the ARB. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB, and the action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board. Any termination of the Declarant's rights under this Section 6.2 shall not affect Declarant's right to approve any Initial Construction within the Subdivision.

Section 6.3 **Powers and Duties of the ARB.** The ARB shall have the following powers and duties:

(a) To recommend amendments to the architectural criteria to the Board at such time as the Board shall have the right to adopt or amend architectural criteria for the Property. For so long as the Declarant shall be entitled to elect or appoint a majority of the members of the Board, only the Declarant shall have the right to promulgate, amend, eliminate, or replace architectural criteria applicable to architectural review to be conducted by the Association. At such time as members of the Association shall elect a majority of the members of the Board, such architectural criteria shall be promulgated, amended, eliminated, or replaced by the Board. Any amendment of the architectural criteria shall be consistent with the provisions of this Declaration. Notice of any amendment to the architectural criteria, which shall include a verbatim copy of such amendment, shall be delivered to each member of the Association. The delivery to each member of the Association of notice and a copy of any amendment to the architectural criteria shall not, however, constitute a condition precedent to the effectiveness or validity of such amendment. It shall not be necessary for the architectural criteria, or any amendment thereto, to be recorded.

(b) To require submission to the ARB of two (2) complete sets of all plans and specifications for any improvement or structure of any kind requiring review and approval of the ARB pursuant to this Article VI. The ARB may also require submission of samples of building materials proposed for use on any Lot, and may require tree surveys to show the effect of the proposed improvements on existing tree cover, and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration and applicable architectural criteria.

(c) To approve or disapprove in accordance with the provisions of this Article VI, any improvements or structures of any kind (other than Initial Construction), or any change

or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot, and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon. All decisions of the ARB may, but need not be evidenced by a certificate in recordable form executed under seal by the President or any Vice President of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon review of any such decision shall be dispositive.

(d) To adopt a schedule of reasonable fees for processing requests for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.

(e) To require each Owner to deposit a reasonable sum with the Association to secure such Owner's compliance with the terms of this Declaration, including the architectural guidelines, and all plans and specifications approved in accordance with this Article VI.

Section 6.4 **Compensation of ARB.** The Board may, at its option, pay reasonable compensation to any or all members of the ARB.

Section 6.5 **Review of Initial Construction by Declarant.** No Initial Construction shall be commenced upon any Lot unless and until the plans, specifications and location of the same have been submitted to, and approved by, the Declarant in writing. All plans and specifications shall be evaluated as to visual and acoustical privacy, as to harmony of external design and location in relation to surrounding structures, if any, topography, existing trees and other natural vegetation, and as to consistency with this Declaration and architectural criteria made applicable to Initial Construction by the Declarant from time to time.

Section 6.6 **Variance.** The Declarant and the ARB may authorize variances from compliance with any architectural provisions this Declaration or applicable architectural criteria when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental considerations require same. Such a variance must be evidenced by a document signed by an authorized representative of the Declarant or ARB, as applicable. If such a variance was granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and particular provisions of this Declaration or applicable architectural criteria covered by the variance, nor shall it effect in any way an Owner's obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority.

Section 6.7 **Limited Liability.** In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Declarant, the ARB, or the Association as contemplated by this Article VI, neither the Declarant, the ARB, nor the Association shall be liable to any Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person

and arising out of or in any way related to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld by the Declarant, the ARB, or the Association.

ARTICLE VII

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 7.1 **Creation of the Lien and Personal Obligation of Assessments.** Each Owner of a Lot within the Property hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments, and any special assessments established and levied pursuant to the terms of this Declaration. All such assessments, together with interest thereon from the due date at the highest lawful rate, late fees in an amount determined by the Board, and costs of collection thereof (including reasonable attorneys' fees), shall be a charge and continuing lien upon each Lot against which each such assessment is made, and shall also be the personal obligation of each Owner. No Owner may avoid liability for the assessments by waiver of rights to use, or by non-use of, the Common Areas or by abandonment.

Section 7.2 **Purpose of Assessments.**

7.2.1 The annual assessments levied by the Association shall be used for the purposes of management and accounting fees, taxes, insurance, maintenance, repair and utility charges relating to the Common Area, including the Easement Areas, to fund the costs of the Association set forth in Section 5.4, and for all other purposes reasonably contemplated by this Declaration, the Articles, the Bylaws, or any cost sharing or similar agreement to which the Association is or may become a party. Further, such annual assessments may be levied to fund reasonable reserves for deferred maintenance of, or non-recurring expenses related to, the Common Area including, the Surface Water or Stormwater Management System. The maintenance responsibilities of the Association payable through assessment of the Owners shall specifically include, but not be limited to, the perpetual maintenance of the Surface Water or Stormwater Management System, including but not limited to work within retention areas, drainage structures drainage easements, and all other improvements constituting a part of the Surface Water or Stormwater Management System permitted by the SJRWMD under Permit No. IND-089-136504-1 (the "Surface Water Permit"), including all operation, sampling, testing, monitoring and maintenance requirements as specified by the Surface Water Permit. Assessments collected by the Association to fund reserves, if any, shall be collected, accounted for, and disbursed as required by law, including without limitation, Section 720.303, Florida Statutes (2012), as the same may be amended from time to time.

7.2.2 The Board may levy special assessments for any purpose relating to permissible or required activities of the Association pursuant to this Declaration, the Articles, or the Bylaws. Any funds collected pursuant to such a special assessment shall be used solely for the purpose or purposes identified by the Board at the time such special assessment is levied.

Section 7.3 **Calculation and Collection of Assessments.** Annual assessments shall be established by the Board based upon an annual budget. Each Owner's pro rata share of the total annual assessment or any special assessment shall be based upon the following calculations:

(a) Owners of Lots shall pay a pro rata share of annual and special assessments which shall be allocated among the Owners as provided in Section 7.3(b). Upon recording of the initial plat for all or any portion of the Property, the initial annual assessment amount allocated to each Lot shall not exceed \$650.00 per Lot. From and after December 31, 2014, such amount may be increased by an amount not to exceed ten percent (10%) of the prior annual assessment amount per Lot; provided, however, by a vote of a majority of the members of the Association cast in person or by proxy at any meeting of the members duly called at which a quorum is present, the foregoing assessment amount per Lot may be increased above the ten percent (10%) limitation set forth in this Section 7.3.

(b) All annual and special assessments shall be established at a uniform rate per Lot. Notwithstanding the foregoing, until the first plat of any portion of all or any portion of the Property is recorded in the Nassau County public records, the initial assessments shall be prorated between the Owners of the Property by acreage.

(c) The assessment obligations of each Owner other than the Declarant shall commence upon the recordation of this Declaration in the public records of Nassau County, Florida. Annual assessments shall be collectable in advance on a periodic basis established by the Board from time to time, which periodic basis shall not be less frequent than annually. Special assessments shall be collectable in advance in the manner established by the Board at the time such special assessments are authorized.

Section 7.4 **Effect of Non-Payment of Assessment: Lien, Personal Obligation, and Remedies of Declarant.** Prior to recording a claim of lien against any Lot, the Association shall provide the applicable Owner with notice of delinquency as required by law, including without limitation, the notice required by Section 720.3085, Florida Statutes (2012), as the same may be amended from time to time. The lien of the Association shall be effective from and after recording in the public records of Nassau County, Florida, a claim of lien stating the description of the Lot encumbered thereby, the name of the Owner, the amount and the due date. Such claim of lien shall include assessments which are due and payable when the claim of lien is recorded as well as assessments which may accrue thereafter, plus interest, late fees, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as herein provided. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record, and the affected Owner shall pay the cost of such satisfaction. If any assessment installment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the due date at the highest lawful rate. The Association may bring an action to enforce the lien authorized hereby by appropriate foreclosure proceedings and/or a suit on the personal obligation against the Owner in the manner prescribed by law, including without limitation, Section 720.3085, Florida Statutes (2012), as the same may be amended from time to time. There shall be added to the amount of such delinquent assessment the costs of collection incurred by the Association, or such Owner, which shall specifically include without limitation reasonable attorneys' fees for trial and appeal.

Section 7.5 **Subordination of Lien to Mortgages.** The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any bona fide mortgage which is perfected by recording prior to the recording of the claim of lien for any such unpaid assessments. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of the affected Lot by deed in lieu of foreclosure, pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure of such mortgage. No sale or other transfer shall release any Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments. A written statement of the Association that the lien is subordinate to a mortgage, shall be dispositive of any question of subordination. Notwithstanding any provision of this Declaration to the contrary, nothing contained herein shall relieve any lender or mortgage holder of the obligation to pay assessments due to the Association pursuant to Section 720.3085 Florida Statutes, or any statute of similar import

Section 7.6 **Working Capital Fund.** The Association shall establish a working capital fund which shall be funded as set forth in this Section 7.6. Upon the initial transfer of title of a Lot from the Declarant (or a successor in title to any portion of the Property who received a contemporaneous full or partial assignment of Declarant's rights as contemplated in Section 2.6) to an Owner, the Owner may be required by the Declarant to pay to the Association a working capital contribution of Three Hundred Fifty and No/100 Dollars (\$350.00). Thereafter, at each sale and conveyance of a Lot, the sum of Three Hundred Fifty and No/100 Dollars (\$350.00) shall be paid to the Association as an additional working capital contribution. The working capital contributions shall not be considered an advance payment of any assessments due pursuant to this Article VII. The working capital fund established by the Association may be used for any purpose for which the Board deems appropriate, including, without limitation, for operational expenses, reserves, capital improvements, or similar uses. Notwithstanding that such use could reduce the amount the Declarant might otherwise pay toward the operation of the Association.

Section 7.7 **Declarant's Assessments.** Notwithstanding any provision of this Declaration to the contrary, the Lots and other portions of the Property owned by the Declarant shall not be subject to any annual or special assessments levied by the Association or to any lien for such assessments. Until Declarant elects otherwise, and in lieu of payment of any assessments to the Association, the Declarant shall pay the balance of the actual operating expenses of the Association (excluding the cost of funding deferred maintenance and reserve accounts) remaining after the levying of and payment of assessments due from Owners other than the Declarant pursuant to assessments levied by the Board of Directors pursuant to this Declaration (the "Operating Deficits"). The Declarant shall be entitled to use moneys in the working capital fund to fund the Operating Deficits. The Declarant shall be obligated to fund such Operating Deficits only as the expenses are actually incurred by the Association and shall continue until the Declarant shall notify the Association that it will no longer pay for Operating Deficits of the Association. Upon termination of the Declarant's agreement to pay Operating Deficits, the Declarant shall become obligated to pay assessments on Lots owned by it within the Property on the same basis as other Owners. In no event shall the Declarant be obligated to pay

for Operating Deficits of the Association after the Declarant no longer owns any Lots within the Property.

ARTICLE VIII **EXTERIOR MAINTENANCE ASSESSMENT**

Section 8.1 **Exterior Maintenance.** The Association may provide maintenance upon any Lot or Limited Common Area, when necessary in the opinion of the Board to preserve the beauty, quality, or value of any or all portions of the Property. Such maintenance shall include but not be limited to painting, roof repair and replacement, repair of gutters, downspouts, and exterior building surfaces, and yard clean-up and yard maintenance. Each affected Owner shall have thirty (30) days within which to perform the required maintenance after being notified in writing by the Association that such maintenance is necessary before the Association undertakes the maintenance.

Section 8.2 **Assessments of Costs.** The cost of any maintenance undertaken by the Association under the provisions of Section 8.1 shall be assessed against each Lot upon which such maintenance is performed or, in opinion of the Board, benefiting from same. Exterior maintenance assessments shall not be considered a part of the annual or special assessments imposed upon the Property pursuant to Article VII of this Declaration. Any exterior maintenance assessment shall be a lien upon each Lot assessed and the personal obligation of the Owner of each such Lot and shall become due and payable in all respects, together with interest, attorneys' fees, and costs of collection, as provided for in Section 7.4, and shall be subordinate to mortgage liens to the extent provided by Section 7.5.

Section 8.3 **Access.** For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after the notice to the Owner provided under Section 8.1, to enter upon any Lot at reasonable hours on any day except Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice as under the circumstances is practically affordable.

ARTICLE IX **UTILITY PROVISIONS**

Section 9.1 **Water System.** The central water supply system provided for the service of the Property shall be used as sole source of potable water for all water spigots and outlets located within or on all buildings and improvements located on each Lot. Each Owner shall pay water meter charges of the supplier thereof and shall maintain and repair all portions of the water lines serving the Owner's Lot in accordance with the requirements of the applicable utility supplier. No individual potable water supply system or well for consumptive purposes shall be permitted on any Lot.

Section 9.2 **Sewage System.** The central sewage system provided for the service of the Property shall be used as the sole sewage system for each Lot. Each Owner shall maintain and repair all portions of the sewer lines serving the Owner's Lot in accordance with the requirements of the applicable utility provider, and shall pay when due the periodic charges or

rates for the furnishing of such sewage collection and disposal services made by such utility provider. No sewage shall be discharged onto the open ground or into any wetland, lake, pond, park, ravine, drainage ditch or canal or roadway and no septic tank or drain field shall be placed or allowed within the Property.

Section 9.3 **Garbage Collection.** Garbage, trash and rubbish shall be removed from the Lots only by parties or companies approved by the Association, which approval shall not be unreasonably withheld. Each Owner shall pay when due the periodic charges or rate for such garbage collection service made by the party or company providing the same.

Section 9.4 **Utility Service.** It shall be the responsibility of the Owner or occupant of each Lot to make direct arrangements with the suppliers of electricity, water, sewer, and any other utility services for service to such Lot.

ARTICLE X **USE RESTRICTIONS AND RIGHTS AND** **EASEMENTS RESERVED BY DEVELOPER**

Section 10.1 **Residential Use.** The Lots subject to this Declaration may be used for residential dwellings and for no other purpose except that one or more Lots may be used for model homes and/or sales offices with temporary parking during the development and sale of Lots within the Property or other properties. The Owners of Lots adjacent to or containing any portion of the Stormwater System, shall maintain all shoreline vegetation and the grade and contour of all embankments to the water's edge (as it may rise and fall from time to time) irrespective of ownership of such land, keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion and shall remove trash and debris as it may accumulate in the System, from time to time. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof. No Lot shall be divided, subdivided or reduced in size without the prior written consent of the Declarant. Assessments for common expenses attributable to any Lot which may be subdivided pursuant to this Section 10.1 shall be reallocated by the Declarant, in its sole discretion, at the time written consent for such subdivision is given by the Declarant.

The owner of a Lot shall maintain all exterior surfaces and roofs, fascias and soffits of the structures (including the Unit) and other improvements located on the Lot (including driveway and sidewalk surfaces and the portion of the right-of-way lying between the extensions of the side Lot lines and the paving of the road as well as any portion of land lying between the Owner's Lot line and the edge of water in any lake) in a neat orderly and attractive manner. The aforesaid maintenance shall include maintaining screens (including screen enclosures), windows and doors (including the wood and hardware of sliding glass doors). The minimum (though not sole) standard for the foregoing shall be consistent with the general appearance of the Property as initially constructed and otherwise improved (taking into account, however, normal weathering and fading of exterior finishes, but not to the point of unsightliness). The Owner shall clean, repaint or restain, as appropriate, the exterior portions of each Unit (with the same colors as initially used on the Unit), as often as is necessary to comply with the foregoing standards.

Section 10.2 **No Detached Buildings.** No tool or storage sheds, tents, trailers, tanks, temporary or accessory buildings or structures other than detached garages shall be erected or permitted to remain on any Lot without the prior written consent of the Declarant or the ARB.

Section 10.3 **Setbacks.** All setbacks shall be in accordance with the Zoning.

10.3.1 **Easement Areas.** No dwelling shall be erected within any easement area shown on any plat of all or any portion of the Property or within any easement reserved by Section 11.1 of this Declaration.

10.3.2 **Measurement of Setbacks.** All setbacks shall be measured from the exterior wall of the dwelling to the applicable Lot or parcel boundary.

Section 10.4 **Landscaping.**

10.4.1 Except for landscaping installed by the Declarant, a landscaping plan for each Lot and Limited Common Area appurtenant to such Lot must be submitted to and approved by the Declarant at the time of Initial Construction of a residence on such Lot. Maximum utilization of existing trees and shrubs, and natural landscaping techniques shall be encouraged. All Lots and appurtenant Limited Common Areas that are not landscaped or left in a natural wooded state shall be grassed to the paved roadway and/or lake's edge where such Lot abuts a roadway and/or lake.

10.4.2 Subsequent to approval by the Declarant of landscaping plans submitted pursuant to Section 10.4.1 above, the Owner shall be obligated to complete the landscaping of his Lot and Limited Common Area in accordance with such plans and Section 10.4.1 above, within thirty (30) days following the issuance of a Certificate of Occupancy or similar final approval for the residence constructed on the Lot by Nassau County, Florida, or other governmental authority having jurisdiction. In the event the landscaping is not timely completed, the Association shall have the right to enter the Lot and complete said landscaping in accordance with the approved plans, in the same manner as exterior maintenance may be performed by the Association pursuant to Article VIII of this Declaration. The Association shall be entitled to a lien against the Lot in an amount equal to one hundred ten percent (110%) of the cost to complete landscaping on such Lot and Limited Common Area, which sum may be collected as provided in Article VII hereof.

Section 10.5 **Motor Vehicles and Boats.** No boats, recreation vehicles or other motor vehicles, except four wheel passenger automobiles, shall be placed, parked or stored upon any Lot, nor shall any maintenance or repair be performed upon any boat or motor vehicle upon any Lot or on any portion of the Common Area, except within a building, or otherwise screened, so as to be totally isolated from public view. Commercial vehicles shall not be parked within the Property within public view on a regular basis. Commercial vehicles shall include (i) trucks or vans with storage racks constructed higher than the roof on the cab of such vehicle; (ii) pickup trucks equipped with tool boxes which extend beyond the sides of such vehicle as originally manufactured, or above the rear window of the cab of such vehicle; (iii) trucks equipped with machinery, tanks, or other equipment installed in the truck bed which extends higher than the

side walls of the truck bed as originally manufactured; and (iv) vehicles with any business logo or lettering. Construction trailers may be parked only with the prior written consent of the Declarant and in an area designated by the Declarant. No abandoned or immobile motor vehicles shall be placed, parked, or stored upon any Lot. No motorcycles shall be permitted to be operated within the Subdivision, except for Vespa type scooters and motorcycles generating noise at no greater a decimal level than automobiles or such other level approved by Declarant or the Association.

Section 10.6 **Nuisances**. Nothing shall be done or maintained on any Lot which may be or become an annoyance or nuisance to any party. Any activity on a Lot which interferes with an Owner's reasonable use and enjoyment of another Lot shall be deemed a nuisance and a prohibited activity. Activities constituting a nuisance may include without limitation interference with television, cable, radio or internet reception, barking or unruly dogs, and loud or intrusive music or noise. If a dispute or question arises as to what may be or become a nuisance, the issue shall be submitted to the Board, whose decision shall be dispositive of such dispute or question. No immoral, improper or unlawful use shall be made of any portion of the Property and all valid laws, zoning ordinances and regulations of governmental agencies having jurisdiction thereof shall be complied with.

Section 10.7 **Antenna**. The installation of all aerials, antennae or satellite dishes shall be subject to the approval of the ARB in accordance with architectural criteria imposed by the Declarant or the Association from time to time and in accordance with all applicable rules and regulations of the Federal Communications Commission or other governmental authorities having jurisdiction.

Section 10.8 **Lakes**. The Owners of Lots adjacent to or containing any portion of the Stormwater System, shall maintain all shoreline vegetation and the grade and contour of all embankments to the water's edge (as it may rise and fall from time to time) irrespective of ownership of such land, keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion and shall remove trash and debris as it may accumulate in the System, from time to time. Only the Declarant and the Association shall have the right to pump or otherwise remove any water from any lake adjacent to or near to the Subdivision for the purpose of irrigation or other use, or to place any refuse in such lake or lakes. The Declarant and the Association shall have the sole and absolute right (but no obligation) to control the water level of such lake or lakes and to control the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in or on any such lake. No gas or diesel driven boat shall be permitted to be operated on any lake. Lots which now or may hereafter be adjacent to or include a portion of a lake (the "lake parcels") shall be maintained so that such grass, planting or other lateral support to prevent erosion of the embankment adjacent to the lake and the height, grade and contour of the embankment shall not be changed without the prior written consent of the Association. Further, all shoreline vegetation, including cattails and the like, shall be maintained and controlled by the Owner of any lake parcel pursuant to the requirements of Section 10.15 hereof. If the Owner of any lake parcel fails to maintain the embankment or shoreline vegetation as part of its landscape maintenance obligations in accordance with the foregoing, the Association shall have the right, but no obligation, to enter upon any such lake parcel to perform such maintenance work which may be reasonably required, all at the expense

of the Owner of such lake parcel pursuant to the provisions of Article VIII of this Declaration. Title to any lake parcel shall not include ownership of any riparian rights associated therewith. No docks, bulkheads or other structures shall be constructed on such embankments. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with use of the surface waters of any lake adjacent to or nearby the Subdivision. The Association shall have the right to deny such use to any person who in the opinion of the Association may create or participate in the disturbance or nuisance on any part of the surface waters of any such lake. The use of the surface waters of any such lake shall be subject to rights granted to other persons pursuant to the rules and regulations of the Association.

WITH RESPECT TO WATER QUALITY, WATER LEVELS, WILDLIFE AND LAKE BANKS, SLOPES AND LAKE BOTTOMS, ALL PERSONS ARE REFERRED TO SECTION 12.10.

Section 10.9 **Insurance and Casualty Damages.** Each Owner shall be required to obtain and maintain in force and effect a policy of fire and other casualty insurance with coverage adequate to cover the full replacement cost of the dwelling and other improvements located on the Owner's Lot. In the event of damage or destruction by fire or other casualty to the improvements on any Lot, the Owner shall commence reconstruction of the improvements within six (6) months from date of casualty and shall repair or rebuild such damaged or destroyed improvements in a good workmanlike manner, within a reasonable time not to exceed one (1) year and in accordance with the provisions of this Declaration. The improvements shall be reconstructed in accordance with the original plans and specifications including color scheme, placement on Lot and materials. All debris must be removed immediately and the Lot shall be restored to an orderly condition within a reasonable time not to exceed sixty (60) days from the date of such damage or destruction.

Section 10.10 **Trees.** No tree or shrub, the trunk of which exceeds six (6) inches in diameter one (1) foot above the ground, shall be cut down, destroyed or removed from a Lot without the prior express written consent of the Declarant or the ARB, except for trees located within an approved building pad, and the area within five (5) feet of such building pad.

Section 10.11 **Artificial Vegetation.** No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ARB.

Section 10.12 **Signs.** No sign of any kind shall be displayed to the public view on any Lot except as may be approved as to size and design and in accordance with criteria established by the Association; provided however, directional signage to be used during the construction of homes within the Property shall be solely subject to the approval of the Declarant.

Section 10.13 **Lighting.** No lighting shall be permitted which alters the residential character of the Subdivision.

Section 10.14 **Animals.** All animals shall be kept under control by each Owner at all times and leashed when outside the boundaries of the Owner's Lot. Animals shall be kept for the

pleasure of Owners only and not for any commercial or breeding use or purposes. If, in the discretion of the Board, any animal shall become dangerous or an annoyance or nuisance to other Owners, or destructive of wildlife or property, such animal may not thereafter be kept on a Lot. Further, in the event any group of animals shall collectively become dangerous or an annoyance or nuisance to other Owners, or destructive to wildlife or property, the Board shall have the right to require the applicable Owner to reduce the number of animals kept on the Lot, or to take such other remedial action as the Board shall specify. In all events, the Board shall be entitled to strictly limit the number of animals any Owner may have on a Lot.

Section 10.15 **Maintenance of Lots and Limited Common Areas.** After construction of improvements on a Lot has commenced, no weeds, underbrush or other unsightly vegetation shall be permitted to grow or remain upon any Lot or Limited Common Area. No refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere within the Property. All such Lots and any improvements placed thereon, shall at all times be maintained in a neat and attractive condition and landscaping shall be maintained in a neat, attractive and orderly manner, including maintenance of grass, plants, plant beds, trees, turf, proper irrigation and lake edge maintenance, all in a manner with such frequency as is consistent with good property management. In order to implement effective control, the Association, its agents and assigns, shall have the right to enter upon any Lot for the purpose of mowing, pruning, removing, clearing, or cutting underbrush, weeds or other unsightly growth and trash which in the opinion of the Board distracts from the overall beauty and safety of the property in accordance with the provisions of Article VI hereof. During construction upon any Lot, any and all vehicles involved in the construction or delivery of materials and supplies to the site shall enter and exit the site only over the driveway or driveway subsurface and shall not park on any roadway or any Property other than the Lot on which construction is proceeding. During construction of the dwelling or other improvements, the Owner will be required to maintain his Lot in a clean condition, providing for trash and rubbish receptacles and disposal. Construction debris shall not be permitted to remain upon any Lot.

Section 10.16 **Fences.** Except as approved by the Declarant as part of Initial Construction, or as subsequently approved by the ARB, no fence, wall or other barrier shall be constructed upon any Lot or any other portion of the Property.

Section 10.17 **Maintenance of Driveways.** Each Lot Owner shall be responsible for maintenance of the driveway serving his Lot.

Section 10.18 **Window Air Conditioning.** No window air conditioning units shall be installed on any building within the Subdivision.

Section 10.19 **Compliance with Laws.** All Owners and other occupants of the Property shall at all times comply with the terms of the Zoning, and all environmental, land use, marketing and consumer protection ordinances, statutes, regulations, and permits applicable to the Property or to any improvements constructed thereon.

Section 10.20 **Platting and Additional Restrictions.** The Declarant shall be entitled at any time, and from time to time, to plat or replat all or any part of the Property owned by it, and

to file any covenants and restrictions, or amendments to this Declaration, with respect to any undeveloped portion or portions of the Property owned by the Declarant, without the consent or joinder of any other party.

Section 10.21 **Jurisdictional Areas and Permits.** THE PROPERTY HAS BEEN OR WILL BE DEVELOPED IN ACCORDANCE WITH REQUIREMENTS OF THE SURFACE WATER PERMIT. THE SURFACE WATER PERMIT IS OR WILL BE OWNED BY THE ASSOCIATION AND THE ASSOCIATION HAS THE OBLIGATION TO ASSURE THAT ALL TERMS AND CONDITIONS THEREOF ARE ENFORCED. THE ASSOCIATION SHALL HAVE THE RIGHT TO BRING AN ACTION, AT LAW OR IN EQUITY, AGAINST ANY OWNER VIOLATING ANY PROVISION OF THE SURFACE WATER PERMIT.

FURTHER, ANY OWNER OWNING A LOT WHICH CONTAINS OR IS ADJACENT TO JURISDICTIONAL WETLANDS OR CONSERVATION AREAS AS ESTABLISHED BY THE ACOE OR SJRWMD OR BY ANY APPLICABLE CONSERVATION EASEMENT SHALL BY ACCEPTANCE OF TITLE TO THE LOT, BE DEEMED TO HAVE ASSUMED THE OBLIGATION TO COMPLY WITH THE REQUIREMENTS OF THE SURFACE WATER PERMIT AS THE SAME RELATE TO SUCH OWNER'S LOT AND SHALL AGREE TO MAINTAIN SUCH JURISDICTIONAL WETLANDS AND CONSERVATION AREAS IN THE CONDITION REQUIRED UNDER THE SURFACE WATER PERMIT. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF THE SURFACE WATER PERMIT AND FOR ANY REASON THE DECLARANT OR THE ASSOCIATION IS CITED THEREFORE, THE OWNER AGREES TO INDEMNIFY AND HOLD THE DECLARANT AND THE ASSOCIATION HARMLESS FROM ALL COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COST AND ATTORNEYS' FEES, AS WELL AS ALL COSTS OF CURING SUCH VIOLATION.

NO PERSON SHALL ALTER THE DRAINAGE FLOW OF THE SURFACE WATER OR STORMWATER MANAGEMENT SYSTEM OR ANY PORTION OF THE JURISDICTIONAL WETLANDS OR CONSERVATION AREAS, INCLUDING WITHOUT LIMITATION, ANY BUFFER AREAS, SWALES, TREATMENT BERMS OR SWALES, WITHOUT THE PRIOR WRITTEN APPROVAL OF THE SJRWMD OR ACOE, AS APPLICABLE.

Section 10.22 **Swale Maintenance.** To the extent that the Declarant has constructed a drainage swale upon a Lot for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot from time to time, each Owner, including builders, shall be responsible for the maintenance, operation and repair of the swales on the Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. Filing, excavation, construction or fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the drainage swale shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its

former condition as soon as possible by the Owner(s) of the Lot(s) upon which the drainage swale is located.

ARTICLE XI
RIGHTS AND EASEMENTS RESERVED BY DEVELOPER

Section 11.1 **Easements for Ingress, Egress, Utilities and Drainage**. The Declarant reserves for itself, its successors, assigns and designees, a right-of-way and perpetual, nonexclusive easement for ingress and egress and to erect, maintain and use utilities, electric, telephone and street lighting poles, wires, cables, conduits, storm sewers, sanitary sewers, water mains, gas, sewer, water lines, drainage ways and structures, cable television and radio equipment or other public conveniences or utilities, on, in and over, (i) any portion of the Common Area; (ii) any area designated as an easement, private street or right-of-way area on any plat of all or any portion of the Property; and (iii) a strip of land within each Lot five (5) feet in width along the front, rear and sides of each Lot.

Section 11.2 **Drainage Flow**. Drainage flow shall not be obstructed or diverted from drainage easements. The Declarant or the Association may, but shall not be required to, cut drainways for surface water wherever and whenever such action may appear to be necessary to maintain reasonable aesthetic standards relative to the Property and surrounding properties. These easements include the right to cut any trees, bushes or shrubbery, make any grading of the land, or to take any other reasonable action necessary to install utilities and to maintain reasonable aesthetic standards, but shall not include the right to disturb any permanent improvements erected upon a Lot which are not located within the specific easement area designated on the plat or reserved in this Declaration. Except as provided herein, existing drainage shall not be altered so as to divert the flow of water onto an adjacent Lot or into sanitary sewer lines.

Section 11.3 **Future Easements**. Declarant reserves the right to impose further restrictions and to grant or dedicate additional easements and rights of way on any Lots within the Property owned by Declarant. In addition, Declarant hereby expressly reserves the right to grant easements and rights-of-way over, under and through the Common Area so long as Declarant shall own any portion of the Property. The easements granted by Declarant shall not materially or adversely affect any improvements or unreasonably interfere with the enjoyment of the Common Area.

Section 11.4 **Cable Television or Radio**. Declarant reserves for itself, and its successors and assigns, an exclusive easement for the installation, maintenance and supply of radio and television cables within the rights of way, Common Areas and easement areas depicted upon any plat of any portion of the Property or within any easement reserved by this Declaration.

Section 11.5 **Easements for Maintenance Purposes**. The Declarant reserves for itself, the Association, and their respective agents, employees, successors or assigns, easements, in, on, over and upon each Lot and the Common Area as may be reasonably necessary for the purpose of preserving, maintaining or improving roadways, landscaped areas, wetland areas, lakes,

ponds, hammocks, wildlife preserves or other areas, the maintenance of which may be required to be performed by the Declarant or the Association.

Section 11.6 **Declarant Rights Re: Temporary Structures, Etc.** Declarant reserves the right for itself, its successors, assigns, nominees and grantees, to erect and maintain such temporary dwellings, model houses, signs and marketing displays and/or other structures upon Lots or Common Area owned by the Declarant, Declarant's assignees or the Association which it may deem advisable for development purposes and to do all acts reasonably necessary in connection with the construction and sale of improvements located on the Lots within the Subdivision. Nothing contained in this Declaration shall be construed to restrict the foregoing rights of Declarant.

ARTICLE XII **GENERAL PROVISIONS**

Section 12.1 Remedies for Violations.

12.1.1 If any Owner or other person shall violate or attempt to violate any of the covenants or restrictions herein set forth, it shall be lawful for the Association, the Declarant, or any Owner (i) to prosecute proceedings at law for the recovery of damages against those so violating or attempting to violate any such covenant; or (ii) to maintain any proceeding against those so violating or attempting to violate any such covenant for the purpose of preventing or enjoining all or any such violations, including mandatory injunctions requiring compliance with the provisions of this Declaration. The SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water or Stormwater Management System and/or jurisdictional wetlands or conservation areas subject to the control of the SJRWMD, and it shall be the Association's responsibility to assist the SJRWMD in any such enforcement proceedings. In the event litigation shall be brought by any party to enforce any provisions of this Declaration, the prevailing party in such proceedings shall be entitled to recover from the non-prevailing party or parties, reasonable attorneys' fees for pre-trial preparation, trial, and appellate proceedings. The remedies in this section shall be construed as cumulative of all other remedies now or hereafter provided or made available elsewhere in this Declaration, or by law.

12.1.2 In addition to all other remedies, and to the maximum extent allowed by law, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, lessees, invitees or employees, to comply with any covenant or restriction herein contained, or rule of the Association, provided the following procedures are adhered to:

(a) For a first violation, the Association shall warn the Owner of the alleged infraction in writing.

(b) For a subsequent violation, the Association shall provide the Owner with a notice of its intent to impose a fine for such violation. Included in the notice shall be the date and time of a meeting of a committee appointed by the Board (the "Rules

Enforcement Committee”) at which time the Owner shall present argument as to why a fine should not be imposed. At least fourteen (14) days prior notice of such meeting shall be given.

(c) At the meeting, the alleged infractions shall be presented to the Rules Enforcement Committee, after which the Committee shall receive evidence and hear argument as to why a fine should not be imposed. A written decision of the Rules Enforcement Committee shall be submitted to the Owner not later than thirty (30) days after the Board meeting. At the meeting, the Owner shall have the right to be represented by counsel and to cross-examine witnesses.

(d) The Rules Enforcement Committee, by majority vote, may impose a fine not to exceed the maximum amount allowed by law from time to time.

(e) Fines shall be paid not later than five (5) days after notice of the imposition or assessment thereof.

(f) The payment of fines shall be secured by one or more liens encumbering the Lot or Lots owned by the offending Owner. Such fines and liens may be collected and enforced in the same manner as regular and special assessments are collected and enforced pursuant to Article VII hereof.

(g) All monies received from fines shall be allocated as directed by the Board.

(h) The imposition of fines shall not be construed to be an exclusive remedy, and shall exist in addition to all other rights and remedies to which the Association or any Owner may be otherwise legally entitled; provided, however, any fine paid by an offending Owner shall be deducted from or offset against any damages which may be otherwise recoverable from such Owner.

(i) The Rules Enforcement Committee shall be comprised of not less than three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director or employee. No member of the Rules Enforcement Committee shall participate in the review of any infraction in which such member is alleged to have participated.

Section 12.2 **Severability**. Invalidation of any of the provisions of this Declaration by judgment or court order shall not affect or modify any of the other provisions, which shall remain in full force and effect.

Section 12.3 **Additional Restrictions**. No Owner, without the prior written consent of the Declarant, may impose any additional covenants or restrictions on any part of the Property, but the Declarant may include in any contract or deed hereafter made and covering all or any part of the Property, any additional covenants or restrictions applicable to the Property so covered which are not inconsistent with and which do not lower standards established by this Declaration.

Section 12.4 **Titles**. Section 12.5 **Termination or Amendment**. The covenants, restrictions, easements and other matters set forth herein shall run with the title to the Property and be binding upon each Owner, the Declarant, the Association, and their respective successors and assigns for a period of fifty (50) years, and shall be automatically renewed for successive ten (10) year periods unless terminated as herein provided. The Owners holding two-thirds (2/3) or more of the total votes of the Association may alter, amend or terminate these covenants. Any amendment to this Declaration which alters any provision relating to the Surface Water or Stormwater Management System or the Permits, beyond maintenance in its original condition, including the water management portion of the Common Areas, must have the prior written approval of the SJRWMD. This Declaration may not be terminated unless adequate provision for transferring perpetual maintenance responsibility for the Surface Water or Stormwater Management System obligation to the then Owners of the Lots is made, and said transfer obligation is permitted under the then existing requirements of the SJRWMD or its successors and Nassau County, Florida, or any other governmental body that may have authority over such transfer. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Surface Water or Stormwater Management System and the Permits must be assigned to and accepted by an entity approved by the SJRWMD. In connection with the platting and development of the Property, the Declarant assumed certain obligations in connection with the maintenance of the Surface Water or Stormwater Management System and the SJRWMD permit. The Declarant hereby assigns to the Association, and the Association shall be solely responsible for, all of the Declarant's obligations and responsibilities for maintenance of the Surface Water or Stormwater Management System pursuant to all applicable Permits and the plat of the Subdivision. Subsequent to the termination of the Class B Membership, the Association shall indemnify, defend and hold the Declarant harmless from all suits, actions, damages, liability and expenses in connection with loss of life, bodily or personal injury or property damage, or any other damage arising from or out of an occurrence in, upon, at or resulting from the operation or maintenance of the Surface Water or Stormwater Management System, occasioned wholly or in part by any act or omission of the Association or its agents, contractors, employees, servants or licensees.

Section 12.7 **Conflict or Ambiguity in Documents**. To the extent of any conflict, ambiguity, or inconsistency between this Declaration, the Articles, or the Bylaws, the terms of this Declaration shall control both the Articles and Bylaws.

Section 12.8 **Usage**. Whenever used, the singular shall include the plural and the singular, and the use of any gender shall include all genders.

Section 12.9 **Effective Date.** This Declaration shall become effective upon its recordation in the public records of Nassau County, Florida.

Section 12.10 **Disclaimers as to Water Bodies.** NEITHER THE DECLARANT, THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUB-CONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY ADJACENT TO OR WITHIN THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS, POISONOUS SNAKES, AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES AND NATURAL AREAS WITHIN THE PROPERTY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

XIII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

A. To the extent allowed by law, the Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

(((H15000028984 3)))

(((H15000028984 3)))

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIV. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or in which they have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XV. DISSOLUTION OF THE ASSOCIATION.

A. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Dedication to any applicable municipal or other governmental authority of any property determined by the Board of Directors of the Association to be appropriate for such dedication and which the authority is willing to accept.

2. Remaining assets shall be distributed among the Members, subject to the limitation set forth below, each Member's share of the assets to be determined by multiplying such remaining assets by a fraction the numerator of which is all amounts assessed by the Association since its organization against the portion of Property which is owned by the Member at that time, and the denominator of which is the total amount (excluding penalties and interest) assessed by the Association against all properties which at the time of dissolution are part of the Property. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

C. In the event of termination, dissolution, merger, or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water or

stormwater management system must be transferred to and accepted by an entity that would comply with Section 40C-42.027, Florida Administrative Code, and be approved by the St. Johns River Water Management District prior to such termination, dissolution, merger, or liquidation.

XVI. MERGERS AND CONSOLIDATIONS.

Subject to the provisions of the Declaration applicable to the Property and to the extent permitted by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same purposes, provided that any such merger or consolidation shall be approved in the manner provided by Chapter 617, Florida Statutes as the same may be amended from time to time. For purposes of any vote of the Members required pursuant to said statutes, for so long as the Declarant shall own any portion of the Property, any such merger or consolidation shall require the Declarant's prior approval.

XVII. AUTHORIZATION.

These Amended and Restated Articles of Incorporation were duly adopted by the Members and Directors of the Association named in the original Articles of Incorporation and the number of votes cast for these Amended and Restated Articles of Incorporation was sufficient for approval.

IN WITNESS WHEREOF, the undersigned has hereto set her hand and seal this 3 day of February, 2015.

I. DEFINITIONS.

All defined terms contained herein which are defined in the Declaration of Covenants and Restrictions for Dunes of Amelia ("Declaration") to be recorded in the public records of Nassau County, Florida, and in the Articles of Incorporation of Dunes of Amelia Owners Association, Inc., shall have the same meanings as such terms are defined in the Declaration and Articles of Incorporation.

II. LOCATION OF PRINCIPAL OFFICE.

The office of Dunes of Amelia Owners Association, Inc. ("Association") shall be at 414 Old Hard Road, Suite 502, Fleming Island, Florida 32003, or at such other place as may be established by resolution of the Board of Directors of the Association from time to time.

III. VOTING RIGHTS AND ASSESSMENTS.

A. Every person or entity who is a record fee simple owner of a Lot or any other portion of the Property, and the Declarant as long as it owns any Property subject to the Declaration, shall be a member of the Association (the "Members") as provided in the Articles of Incorporation of the Association, and shall have the voting rights as set forth in the Articles of Incorporation, provided that any such person or entity who holds such interest only as a security for the performance of an obligation shall not be a Member. Membership shall be appurtenant to, and may not be separated from, ownership of any parcel within the Property.

B. Assessments and installments thereon not paid when due shall bear interest from the date when due until paid at the highest lawful rate and shall result in the suspension of voting privileges during any period of such non-payment.

IV. BOARD OF DIRECTORS.

A. A majority of the Board of Directors of the Association (the "Board") shall constitute a quorum to transact business at any meeting of the Board, and the action of the majority present at a meeting at which a quorum is present shall constitute the action of the Board.

B. Any vacancy occurring on the Board because of death, resignation or other termination of services of any Director, shall be filled by the Board, except that the Declarant (as defined in the Declaration), to the exclusion of other Members and/or the Board itself, shall fill any vacancy created by the death, resignation, removal or other termination of services of any Director appointed by the Declarant. A Director elected or appointed to fill a vacancy shall be

elected or appointed for the unexpired term of his predecessor in office and thereafter until his successor shall have been elected or appointed, and qualified.

V. ELECTION OF DIRECTORS.

A. Nominations for the election of Board members (other than Board members appointed by the Declarant) shall be made by the Nominating Committee described in Article IX hereof, or upon petition in accordance with Section C. of this Article V. The Nominating Committee shall make as many nominations as it shall in its discretion determine.

B. The Declarant shall, within fourteen (14) days of the date set for the annual meeting of the Association, notify the Secretary of the names of the Directors that such Owner is appointing to the Board.

C. Petitions for nominees shall also be accepted if signed by Members representing one-third (1/3) of the total votes held by the Members, and if received by the Secretary of the Association not less than thirty (30) days prior to the date fixed for the annual meeting of the Members. Nominations and notification of the vacancies being filled by the Declarant shall be placed on the written ballot referenced in Section D of this Article V.

D. All elections to the Board shall be made on written ballots to be voted at the annual meeting, or in the discretion of the Board, by mail, provided such ballots are mailed to the Members not less than fifteen (15) days prior to the date fixed for the annual meeting. The ballots shall (i) describe the vacancies to be filled by the Members, (ii) set forth the names of those nominated for each such vacancy, and (iii) set forth the names of those appointed to the Board by the Declarant. Each Member may cast the number of votes to which such Member is entitled as set forth in the Articles of Incorporation.

E. In order for an election of members of the Board to be valid and binding, the election must occur at a meeting of the Members at which a quorum is present; or if the election is conducted by mail, the Association must receive as of the date established by the Board for receipt of ballots, a number of ballots representing not less than a quorum of the Members.

F. The members of the Board elected or appointed in accordance with the procedures set forth in this Article V shall be deemed elected or appointed as of the date of the annual meeting of the Members.

D. The transaction of any business at any meeting of the Board, however called and noticed, or wherever held, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present and, if either before or after the meeting, each of the Directors not present signs a waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records of the Association and made a part of the minutes of the meeting.
